

The Maine Children's Home Christmas Needs List 2017

You may drop off or mail your donations to Building #3 (Development)

Keeping enough inventory in stock to pack continuously once we begin in October is our biggest challenge. We must build our inventory all year in order to keep up with the demands of continuous packing which begins in October and ends early in December. We encourage donations any time throughout the year to help us serve over 1700 needy Maine children at holiday time. We desperately need and encourage EARLY donations. There is no time of year that Christmas donations are not welcome.
